WARNS EMPIRE

(B= The Associated Press) Saying that Japan must be prepared for mounting American sir attacks and that Allied attempts to invade Japanese soil are within the range of possibility. Premier Gen. Kuniaki Koisi told the Japanese Diet today that Japan was "in the midst of a grave situation upon which depends the rise or fall of the empire."

"The life or death of the Yamata race is at stake." he added in his first speech to the Diet since he took effice last July.

The Premier's war review, at the opening of the Diet's \$5th extraordinary session, was described in a Tokyo broadcast reported by the Federal Communications Commis-

Kotso said the Japanese people "must safeguard our national policy by offering our all and must "exhaust every means" to increase the empire's fighting strength.

"This is the transition period for Japan to turn from the defensive to the offensive," he asserted, and added that "ways and means for this move are taking form."

He told the Diet he was continuing former Premier Gen. Hideki Tojo's pelicy of integrating all multary and civilian functions and coordinating command and state affairs to conduct total war.

The Premier emphasized the necessity of stepping up production of planes and improving air raid defenses and called for strengthening of the fighting spirit of the Japanese people as a whole.

Turning to the war in Europe. Koiso passed lightly over German

"Germany is continuing to fight." he said. "We admire her confidence and wish her every success. We believe she will surmount all difficulties."

The Premier assured the Diet that Japan's foreign policy will be pursued to insure successful prosecution of the war by strong collaboration with Germany and through the unity of all Asia * * * "

He asserted that "Japan aims at friendly relations with neutral countries" and declared that in invading China Japan was not interested in fighting the Chinese but in combatting British and American influence

joyment all his own. The more tired he is from working at the War Plant, the more fun he has pitching horseshoes with the boys these summer evenings.

"That's because I feel that I deserve it," Thad says simply.

And I wonder if he isn't right. I wonder if we don't enjoy things in proportion as we know we've earned them. Is a little relaxation ever more welcome than after a hard day's work? Do we appreciate our little pleasures quite as much as when

done a good job well? From where I sit, that's one

of the things this wartime strain has taught us. We're all of us working hard at our jobs, doing our level best to pull our weight. And we're learning the little rewards, the simple pleasures-a home-cooked meal, a glass of beer with friends-are more welcome now than ever ... because we've earned them!

Tired Kidneys Often Bring Sleepless Nights

When disorder of kidney function permits poissoned matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, bearlaches and distincess. Frequent or scantiv passages with smarting and burning sometimes shows there is something wrong with your kidneys or bindder.

Den't whis! Ask your druggist for Doan's Pills, used successfully by mailions for over 40 years. They give mapp, relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Gut Doan's Pills.

eran was covering centerfield like a from interfering with his charges. 0-0 tie in another Labor Day tilt.

game since June 22. It was Rufe's series between the two clubs with dough it pays. Detroit holding a 13-9 margin.

All other big league clubs were idle yesterday but the St. Louis Browns get back into action tonight against Chicago and the Tigers move home to face Claveland in the first of an eight-gam home and home set. As the Yanke's do not resume until Friday at Bos.on, the Brownies can go into a tie for the lead with a victory over the Sox.

A full night game schedule in the National includes a 14th meeting between the St. Louis Cardinals and Chicago with the Cubs still looking for their first decision.

done a good job well?

Formula for Fun

Thad Phibbs has a theory of enjoyment all his own. The more tired he is from working at the War Plant, the more fun he has pitching horseshoes with the boys these summer evenings.

"That's because I feel that I deserve it," Thad says simply.

And I wonder if he isn't right. [wonder if we don't enjoy things in proportion as we know we've earned them. Is a little relaxation ever more welcome than after a hard day's work? Do we appreciate our little pleasures quite as much as when

SEPTEMBER

Once more the smell of spicy things, vention here. The chili making days are here!

CREED

'Tis good to have a lofty creed;

COURAGE To face the frost and brave the ficiating.

As if they'd been ashamed to quit

Before they'd made a fight for it.

Today's Talk

DISAPPOINTMENT

Disappointments dot our lives, in a minor measure, as do the stars the heavens. But they do not offer the same consolation. They are lessons, can ill afford to neglect them.

tragic. Yet their wounds, in time, always heal, and the scars remain hardly noticeable. We must early learn, as most of us do, to bear disappointments bravely and with a philosophic mind.

It is much easier to give such adlearned much over a great many years, and experienced almost every disappointment, I believe that I can give out a little hope in this direction, and assure you who may now be experiencing a disappointment, that your task is to face it, without flinching and with courage. Finishing its seventeenth year period, the group's annual report fact that Uniontown is the home showed today.

Compiled by I. O. Sidelmann, the report which was mailed to all association members also showed that 451 cons had been tested. Tao herds with 33 cows were in the association part of the year, but were not included in this report.

Miss Virge Diehl, Dincolnasy number of cows, pounds of milk and pounds of butterfor produced showed a marked increase over the previous year's figures.

Show Profit The average number of cows this: jear was 341.65 as compared with. 328.66 for last year; pounds of milk to was 7,758 compared with 7,198, and the pounds of butterfat was listed!

In listing the "average" figures in different catagories, the report ing pasture, \$41.90 and cost of grain, \$84.04, making a total cost for feed per cow of \$126.24.

That placed the value of the product above feed cost at \$195.47 with the returns per dollar extended for feed at \$2.55. The feed cost per 100 pounds of milk was. placed at \$1.63 and the feed cost per pound of butterfat at 42 cents.

Seven herds with an average of five or more Lows produced an average of over 300 pounds of butterfat. They were the herds of G Lawrence Hariman, Aspers R 1; Norman J. King, York Springs R. 1; B. J. Griffie, York Springs R. 2; A Irvin Hostetter, Littlestown, Joseph A. Stoner, East Berlin. Edgar H. Leer, York Springs R. 2, and W. Clayton Jester, Biglerville.

Individual Records Of the total of 131 cows producing more than 300 pounds of butterfat, four were in Group I producers of from 500 to 690 pounds of outterfat. Twenty-nine cows were listed in Group II, producers of 400 to 500 pounds of butterfat and 98 cows were included in the

third group of 300 to 400 pound

producers. The report showed that two cows both in the herd of Edgar W Wea-. per. Gettysburg R. 4. have produced over 3.000 pounds of butterfag in their lifetime and received certificates awarded by the Pennsylvania Dairymen's association. One of the cows, born in 1932, has produced 38569 pounds of butterfat in nine years or test and is still producing. The other born in 1933 produced 3.274.3 pounds

JAP PREMIER WARNS EMPIRE FACES CRISIS

Saying that Japan must be prepared for mounting American air attacks and that Allied attempts to invade Japanese soil are within the range of possibility, Premier Gen. Kuniaki Koisi told the Japanese Diet today that Japan was "in the midst of a grave situation upon which depends the rise or fall of the

"The life or death of the Yamata race is at stake," he added in his first speech to the Diet since he took office last July

The Premier's war review, at the opening of the Diet's 85th extraordinary session, was described in a Tokyo broadcast reported by the Federal Communications Commis-

Koiso said the Japanese people must safeguard our national policy by offering our all" and must "exhaust every means" to increase the empire's fighting strength.

"This is the transition period for Japan to turn from the defensive to the offensive," he asserted, and added that "ways and means for this move are taking form."

He told the Diet he was continuing former Premier Gen. Hideki Tojo's policy of integrating all military and civilian functions and coordinating command and state affairs

to conduct total war. The Premier emphasized the necessity of stepping up production of planes and improving air raid defenses and called for strengthening of the fighting spirit of the Japanese people as a whole.

Turning to the war in Europe, Koiso passed lightly over German

"Germany is continuing to fight," he said. "We admire her confidence and wish her every success. We believe she will surmount all diffi-

The Premier assured the Diet that 'Japan's foreign policy will be pursued to insure successful prosecution of the war by strong collaboration with Germany and through the

unity of all Asia * * * He asserted that "Japan aims at friendly relations with neutral countries" and declared that in invading China Japan was not interested in fighting the Chinese but in combatting British and American influence

JAP PREMIER WARNS EMPIRE

pared for mounting American air attacks and that Allied attempts to invade Japanese soil are within the range of possibility, Premier Gen. Kuniaki Koisi told the Japanese Diet today that Japan was "in the midst of a grave situation upon which depends the rise or fall of the

"The life or death of the Yamata race is at stake," he added in his first speech to the Diet since he took office last July.

The Premier's war review, at the opening of the Diet's 85th extraordinary session, was described in a Tokyo broadcast reported by the Federal Communications Commis-

Koiso said the Japanese people must safeguard our national policy by offering our all" and must "exhaust every means" to increase the empire's fighting strength.

"This is the transition period for Japan to turn from the defensive to the offensive," he asserted, and added that "ways and means for this move are taking form." He told the Diet he was continuing

former Premier Gen. Hideki Tojo's policy of integrating all military and civilian functions and coordinating command and state affairs to conduct total war.

The Premier emphasized the necessity of stepping up production of planes and improving air raid defenses and called for strengthening of the fighting spirit of the Japanese people as a whole.

Turning to the war in Europe. Koiso passed lightly over German

"Germany is continuing to fight," he said. "We admire her confidence and wish her every success. We believe she will surmount all diffi-

The Premier assured the Diet that 'Japan's foreign policy will be pursued to insure successful prosecution of the war by strong collaboration with Germany and through the

unity of all Asia * * *." He asserted that "Japan aims at friendly relations with neutral countries" and declared that in invading China Japan was not interested in fighting the Chinese but in combatting British and American influence

Today's Talk

DISAPPOINTMENT

Disappointments dot our lives, in a minor measure, as do the stars the heavens. But they do not offer the same consolation. They are lessons, however, of an importance that we can ill afford to neglect them.

Like everything that comes early in life, or is a first experience, our first disappointments seem the most tragic. Yet their wounds, in time. always heal, and the scars remain hardly noticeable. We must early learn, as most of us do, to bear disappointments bravely and with a philosophic mind.

It is much easier to give such advice than to take it, but having Germany today made her initial of Antwerp. years, and experienced almost every under the Dawes plan. disappointment, I believe that I can give out a little hope in this direction, and assure you who may now be experiencing a disappointment, that your task is to face it, without funching and with courage. People grow strong in character, mellow in or walking right past disappoint-

or COD mail.

Finishing its seventeenth year period, the group's annual report fact that Uniontown is the home

Compiled by I. O. Sidelmann, the report, which was mailed to all association members, also showed that 451 cows had been tested. Two herds with 33 cows were in the association part of the year, but were not included in this report.

Miss Virge Diehl, Dincolnway number of cows, pounds of milk and pounds of butterfat produced previous year's figures.

Show Profit

The average number of cows this year was 341.65 as compared with 328.68 for last year; pounds of milk was 7,758 compared with 7,198, and the pounds of butterfat was listed as 301.6 compared with 284.6 the

showed the value of product at lished by the WPB itself," Stewart \$321.71: cost of roughage, including pasture, \$41.90 and cost of grain, per cow of \$126.24.

That placed the value of the product above feed cost at \$195.47 with the returns per dollar extended for feed at \$2.55. The feed cost per 100 pounds of milk was placed at \$1.63 and the feed cost per pound of butterfat at 42 cents. Seven herds with an average of five or more cows produced an average of over 300 pounds of butterfat. They were the herds of G. Lawrence Hartman, Aspers R. 1; Norman J. King, York Springs R. 1; B. J. Griffie, York Springs R. 2; A. Irvin Hostetter, Littlestown; Joseph A. Stoner, East Berlin; Edgar H. Leer, York Springs R. 2, and W. Clayton Jester, Biglerville. Individual Records

Of the total of 131 cows producing more than 300 pounds of butterfat, four were in Group I, producers of from 500 to 600 pounds of butterfat. Twenty-nine cows were listed in Group II, producers of 400 to 500 pounds of butterfat and 98 cows were included in the third group of 300 to 400 pound producers.

The report showed that two cows, both in the herd of Edgar W. Weaner, Gettysburg R. 4, have produced over 3,000 pounds of butterfat in their lifetime and received certificates awarded by the Pennsylvania Dairymen's association. One of the cows, born in 1932, has produced 3,856.9 pounds of butterfat in nine years of test and is still producing. The other, born in 1933. produced 3,274.3 pounds.

Weaner is president of the county association. Norman J. King, York Springs, is vice-president, and H. M. Cater, secretary-treasurer. Leer and Hostetter are directors and Teresa A. Murren is tester for the group.

Miniature Tornado Strikes Ohio Area

Monaca, Pa., Sept. 7 (AP) -Twisting through several miles of the Ohio river valley, a windstorm described by observers as a "miniature tornado" uprooted trees and damaged several buildings and billboards last night before disappearing as quickly as it came.

The storm was first reported in the vicinity of Ohio View, near Midland. Accompanied by rain, it hugged the hills along the river and then struck Monaca Heights where a private garage was tipped over, the porch of a residence damaged and tops blown off trees.

The storm seemed to bypass Freedom, Monaca and Midland then apparently blew itself out before reaching Aliquippa and Ambridge to the south, one witness

THERE IS A WAY to essure delicious corn muf. fins at every baking and its name is Flakorn. And the reason for this happy result is that Flakorn's ingredients are precision.

Finishing its seventeenth year day. June 30, the Adams County Cow Umbel said Secretary of the Navy Washington, Sept. 7 (AP)-Are of the Army or other persons receivshowed today.

Compiled by I. O. Sidelmann, the report, which was mailed to all association members, also showed that 451 cows had been tested. Two herds with 33 cows were in the association part of the year, but were not included in this report.

Miss Virge Diehl, Dincolnway number of cows, pounds of milk most controls over civilian productinches in length; or more than 36 and pounds of butterfat produced tion as soon as Germany falls was inches in length and girth comshowed a marked increase over the previous year's figures. Show Profit

The average number of cows this year was 341.65 as compared with 328.68 for last year; pounds of milk the pounds of butterfat was listed as 301.6 compared with 284.6 the

In listing the "average" figures in different catagories, the report showed the value of product at per cow of \$126.24.

That placed the value of the product above feed cost at \$195.47 with the returns per dollar extended for feed at \$2.55. The feed cost per 100 pounds of milk was placed at \$1.63 and the feed cost per pound of butterfat at 42 cents. Seven herds with an average of five or more cows produced an average of over 300 pounds of butterfat. They were the herds of G. Lawrence Hartman, Aspers R. 1; Norman J. King, York Springs R. 1; B. J. Griffie, York Springs R. 2; A. Irvin Hostetter, Littlestown; Joseph A. Stoner, East Berlin; Edgar H. Leer, York Springs R. 2, and W. Clayton Jester, Biglerville. Individual Records

Of the total of 131 cows producing more than 300 pounds of butterfat, four were in Group I, producers of from 500 to 600 pounds of butterfat. Twenty-nine cows were listed in Group II, producers of 400 to 500 pounds of butterfat and 98 cows were included in the third group of 300 to 400 pound

The report showed that two cows, both in the herd of Edgar W. Weaner, Gettysburg R. 4, have produced over 3,000 pounds of butterfat in their lifetime and received certificates awarded by the Pennsylvania Dairymen's association. One of the cows, born in 1932, has produced 3,856.9 pounds of butterfat in nine years of test and is still producing. The other, born in 1933. produced 3.274.3 pounds. Weaner is president of the coun-

ty association. Norman J. King. York Springs, is vice-president, and H. M. Cater, secretary-treasurer. Leer and Hostetter are directors and Teresa A. Murren is tester for the group.

Miniature Tornado Strikes Ohio Area

Monaca, Pa., Sept. 7 (AP) -Twisting through several miles of the Ohio river valley, a windstorm described by observers as a "miniature tornado" uprooted trees and damaged several buildings and billboards last night before disappearing as quickly as it came.

The storm was first reported in the vicinity of Ohio View, near Midland. Accompanied by rain, it hugged the hills along the river and then struck Monaca Heights where a private garage was tipped over, the porch of a residence damaged and tops blown off trees.

The storm seemed to bypass Freedom, Monaca and Midland then apparently blew itself out before reaching Aliquippa and Ambridge to the south, one witness
